***Award Conditions to the Financial Assistance Award
Between the Denali Commission and the City of Homer
For Small Boat Harbor Float
Award No. 1412, Amendment 03***

1. Scope of Work

The purpose of this amendment is to reopen award 1412. The Denali Commission (Commission) is providing a total of \$61,520.28 to the City of Homer. Award 1214 was initially closed, at the direction of the City, and funds in the amount of \$61,520.08 were deobligated from the award. Subsequently, the City notified the Commission that an additional invoice for the construction of the project had been received. The Commission reviewed the invoice, deemed the costs allowable and within the scope of the award, and notified the City that the original deobligation would be added back to the award via this amendment.

The City agrees to submit the required reimbursement form (SF 270), along with the invoice and documentation of payment of same, as soon as practicable, and agrees to work to close the award immediately upon receipt of payment.
